Music

Intent

At Inspire Multi Academy Trust, we are committed to ensuring the effective delivery of a music curriculum that is accessible to all our children. Music is a practical, creative subject, which should enhance the lives and learning of all children. Music is a unique way of communicating that can inspire and motivate children. It gives an opportunity for personal expression and it can play an important part in the personal development of an individual. Music reflects our culture and society and so the teaching and learning of music enables children to better understand the world they live in. Our children will focus on a variety of key musicians linked to their topics and they will begin to understand the development of their particular music and how that may have impacted our lives. Our aim is to promote enthusiasm for and the enjoyment of, music in all its forms and also to develop musical skills and knowledge. By engaging children in musical experiences we can offer our children opportunities to develop skills, attitudes and attributes that can support learning in other areas as well as developing life skills such as listening skills, the ability to concentrate, creativity, self-confidence and a sensitivity towards others.

Breadth of Study

The following is the breadth of study that our pupils will cover from Year One through to Year Six. All statutory requirements taken from the National Curriculum. We follow Charanga scheme of work.

About this Unit

Themes: The Beatles, equality and civil rights.

Facts/info: The Beatles helped to reshape Western Pop music in the 1960s and are one of the most successful bands ever. The Beatles had four members: John Lennon, Paul McCartney, George Harrison and Ringo Starr.

In the 1950s and 1960s, slavery had been abolished in America, but racism was still rife and life wasn't equal for African Americans. The civil rights movement – led by Martin Luther King Jr. – challenged this. There was a huge struggle for equality. Lots of dreadful things were going on and people were dying. After reading about this, Paul wrote the song Blackbird about a black woman, in support of the Black Power Movement.
