Dear Parents and Carers,

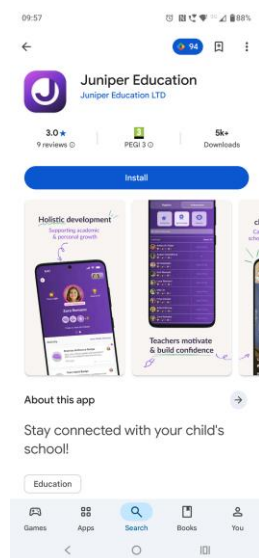

Website and App change

Over the course of the week, we will be transitioning to a new school website.

This means we will no longer be able to use the school app we currently send messages out on.

Once the switch over is complete you will receive an invite to our new communications app Juniper Education.

The new app can be downloaded from your play store or apple store as usual:

Thank you for your continued support.

Miss LA Cassidy
